# Maximizing Employee Engagement and Retention

**This highly engaging one-day  
training will:**

- **Explore what a highly  
committed worker  
looks like in the human  
services.**
- **Examine the role of  
management behind  
employee commitment.**
- **Review how  
management staff at all  
levels can create the  
environment to  
encourage employee  
performance and  
retention.**
- **Provide strategies and  
tools to maximize  
employee engagement  
and retention.**

Human service organizations continue  
to experience high levels of staff  
turnover. Turnover often happens in the  
most critical positions (front line staff),  
which cripples an agency's ability to  
adequately meet client needs and can  
contribute to reduced performance and  
commitment for the ones that remain.

This is a training you will not want to  
miss.

This is ideal for management staff at all  
levels.

Tim Nolan, Ed.D. has personally  
worked with over 10,000 human  
service management staff across the  
country and has worked with agencies  
of all sizes to help them maximize  
client care and employee commitment,  
performance, and retention.

He is also the author of *The Essential  
Handbook for Highly Effective Human  
Service Managers* and creator of the  
12-month Highly Effective Human  
Service Managers Program (which 19  
agencies are using).
